

*Please read and sign the following office policies. We appreciate your understanding.*

1. Patients are required to wear a mask in order to receive treatment unless a medical exemption is provided. Your mask protects us, and our masks protect you.
2. We take temperatures and screen for illness as patients enter the office. We request you sanitize or wash your hands prior to treatment. We sanitize all equipment and tables in between each patient.
3. Due to COVID-19 physical distancing guidelines, visitors or family members may not accompany patients to appointments. We kindly ask all guests to wait outside or in your vehicle. Caregivers or translators are permitted.
4. If you've arrived earlier than your scheduled appointment, please wait outside until we call you in. You can call us at (805)439-2159 to let us know you've arrived if we don't see you.
5. If you've arrived late for your appointment, we will do our best to see you. Your appointment may need to be shortened or rescheduled.

Please let us know if you have any questions or concerns.
